

VIRGIN WOOD ENTERPRISES

Plywood Product Details & Price List - October 2026

Virgin Wood Enterprises is a plywood manufacturer in Pakistan with its factory at Depalpur Road, Kasur, and office in Lahore. We supply shuttering, commercial and construction plywood for building, furniture and industrial use.

Price List (per sheet, in Rs.)

Product	12mm	16mm	18mm	25mm
Korenplex (Koreanplex) Plywood	Rs. 3,900	Rs. 4,500	Rs. 5,600	Rs. 8,600
Duraplex Plywood	Rs. 4,500	Rs. 5,000	Rs. 6,000	Rs. 9,000
Marineplex Plywood	Rs. 3,900	Rs. 4,500	Rs. 5,600	Rs. 8,600
Tigerplex Plywood	Rs. 4,600	Rs. 5,800	Rs. 6,500	Rs. 8,500
Eagleplex (Eagle) Plywood	Rs. 4,000	Rs. 4,500	Rs. 5,600	Rs. 8,500
High-Pressure Plywood	Rs. 4,600	Rs. 5,300	Rs. 5,800	Rs. 7,800
Solid Plywood	Rs. 3,700	Rs. 4,600	Rs. 5,300	Rs. 7,800
Commercial Plywood	Rs. 3,600	Rs. 4,000	Rs. 4,500	Rs. 6,000
Low-Pressure Plywood	N/A	Rs. 3,500	Rs. 4,000	N/A

Sheet Weight by Thickness

12mm	16mm	18mm	25mm
18 kg	23 kg	28 kg	39 kg

Prices are per sheet. Rates for Tigerplex, Solid, High-Pressure and Low-Pressure are from our current price register; other rates are from virginwoodply.com. Prices may change with market rates, and N/A means that thickness is not currently listed; please confirm current rates and stock before ordering. Sheet weights are approximate.

Product Details

Korenplex (Koreanplex) Plywood

12mm	16mm	18mm	25mm
Rs. 3,900	Rs. 4,500	Rs. 5,600	Rs. 8,600

Weight per sheet: 12mm = 18 kg, 16mm = 23 kg, 18mm = 28 kg, 25mm = 39 kg

Glue / adhesive: Waterproof adhesive

Description: Premium-quality formwork plywood made from high-quality hardwood veneers and bonded with waterproof adhesive. Gives exceptional strength, durability and a smooth concrete finish, with high load-bearing capacity, moisture resistance and multiple reusability.

Best used for: Slabs, beams, columns, bridges and other concrete structures.

Duraplex Plywood

12mm	16mm	18mm	25mm
Rs. 4,500	Rs. 5,000	Rs. 6,000	Rs. 9,000

Weight per sheet: 12mm = 18 kg, 16mm = 23 kg, 18mm = 28 kg, 25mm = 39 kg

Glue / adhesive: Waterproof phenolic resin

Description: High-performance shuttering plywood made from premium hardwood veneers bonded with waterproof phenolic resin. Smooth surface for an excellent concrete finish, strong against moisture, with high load capacity and multiple reuse that helps reduce construction cost.

Best used for: Slabs, columns, beams, bridges and high-rise buildings.

Marineplex Plywood

12mm	16mm	18mm	25mm
Rs. 3,900	Rs. 4,500	Rs. 5,600	Rs. 8,600

Weight per sheet: 12mm = 18 kg, 16mm = 23 kg, 18mm = 28 kg, 25mm = 39 kg

Glue / adhesive: High-quality phenolic resin

Description: Premium-grade waterproof plywood for heavy-duty construction and concrete formwork. Made from selected hardwood veneers with phenolic resin; superior moisture resistance, long-lasting durability, smooth surface and reliable performance in all weather conditions.

Best used for: Slabs, columns, beams, bridges and other demanding construction projects.

Tigerplex Plywood

12mm	16mm	18mm	25mm
Rs. 4,600	Rs. 5,800	Rs. 6,500	Rs. 8,500

Weight per sheet: 12mm = 18 kg, 16mm = 23 kg, 18mm = 28 kg, 25mm = 39 kg

Glue / adhesive: Advanced waterproof phenolic resin

Description: Premium construction plywood engineered for high-strength concrete formwork. Selected hardwood veneers with advanced waterproof phenolic resin give outstanding durability, superior load-bearing capacity and excellent resistance to moisture and harsh job-site conditions.

Best used for: Slabs, beams, columns, foundations, bridges and high-rise construction.

Eagleplex (Eagle) Plywood

12mm	16mm	18mm	25mm
Rs. 4,000	Rs. 4,500	Rs. 5,600	Rs. 8,500

Weight per sheet: 12mm = 18 kg, 16mm = 23 kg, 18mm = 28 kg, 25mm = 39 kg

Glue / adhesive: Waterproof phenolic resin

Description: Premium-quality formwork plywood made from high-grade hardwood veneers with waterproof phenolic resin. Excellent moisture resistance, high load-bearing capacity and a smooth surface for a good concrete finish; withstands repeated use, so it is cost-effective for contractors.

Best used for: Slabs, columns, beams, foundations, bridges and commercial buildings.

High-Pressure Plywood

12mm	16mm	18mm	25mm
Rs. 4,600	Rs. 5,300	Rs. 5,800	Rs. 7,800

Weight per sheet: 12mm = 18 kg, 16mm = 23 kg, 18mm = 28 kg, 25mm = 39 kg

Glue / adhesive: High-pressure bonding (adhesive type not stated)

Description: Premium-grade plywood made from hardwood veneers using high-pressure bonding technology. Good resistance to moisture, heavy loads, impact and wear, with a smooth surface and strong core.

Best used for: Concrete formwork, furniture manufacturing, interior projects, commercial buildings and industrial use.

Solid Plywood

12mm	16mm	18mm	25mm
Rs. 3,700	Rs. 4,600	Rs. 5,300	Rs. 7,800

Weight per sheet: 12mm = 18 kg, 16mm = 23 kg, 18mm = 28 kg, 25mm = 39 kg

Glue / adhesive: Not specified on website

Description: Plywood is a sheet material made from thin layers (plies) of wood veneer glued together, with the grain of adjacent layers rotated up to 90 degrees to each other. Solid Plywood is supplied for ideal construction use.

Best used for: Construction and general building work.

Commercial Plywood

12mm	16mm	18mm	25mm
Rs. 3,600	Rs. 4,000	Rs. 4,500	Rs. 6,000

Weight per sheet: 12mm = 18 kg, 16mm = 23 kg, 18mm = 28 kg, 25mm = 39 kg

Glue / adhesive: Not specified on website

Description: General-purpose plywood used in construction, furniture making and interior design. Available in a range of thicknesses, finishes and sizes. Known for consistent quality, ease of use and good screw and fastener holding.

Best used for: Construction, furniture making and interior design.

Low-Pressure Plywood

12mm	16mm	18mm	25mm
N/A	Rs. 3,500	Rs. 4,000	N/A

Weight per sheet: 12mm = 18 kg, 16mm = 23 kg, 18mm = 28 kg, 25mm = 39 kg

Glue / adhesive: Low-pressure bonding (adhesive type not stated)

Description: Engineered plywood from selected hardwood and poplar veneers using low-pressure bonding technology. Good dimensional stability, smooth surface, lightweight and easy to work with; a cost-effective balance of strength, quality and affordability.

Best used for: Furniture, interior decoration, partitions, cabinetry and light-duty construction.

Other Products Available

We also deal in Shuttering Plywood, Film-Faced Plywood, Waterproof Plywood, Poplar Plywood, Porta Cabin Plywood, Virgin Plywood, Plywood Sheets and Concrete Formwork Plywood. Please contact us for current prices, thicknesses and availability.
